GERMANY HAS ACCEPTED ALL TERMS OF THE PEACE TREATY

Formal Signing of Treaty Now Only Matter of Days.

ITALY WILL SIGN

Huns Accept Unconditionally.

Will Sign Tuesday or Wednesday.

(By Associated Press.)

PARIS, JUNE 23.—The German government at Weimar has formally communicated its willingness to sign the peace terms unconditionally, it was announced by the French Foreign Office this afternoon.

The day and hour for the formal signing of the treaty is uncertain. The signing probably may take place on Tuesday, but more likely on Wednesday.

The Italian delegates at present in Paris have been authorized to sign the treaty on behalf of Italy. This announcement removed one question which it was feared might delay the signing.

The German note of acceptance, it is said, is couched in such language that it maintains the German position that the peace conditions are a "peace of violence."

(By Associated Press.)

WEIMAR, SUNDAY, JUNE 22.—It is officially announced that Germany will sign the peace treaty.

TROOPS RAID RAND SCHOOL

(By Associated Press.)

New York, June 23.—State troops acting for the Luck joint legislative committee investigating seditious activities in this state raided the Rand school for social science this afternoon at the instance of the State Attorney General and opened a safe believed to contain "written and printed matter of a revolutionary and seditious nature."

SWITCH SYSTEM OF SEARCHING

(By Associated Press.)

Washington, June 23.—The provision of the prohibition enforcement bill permitting search of private homes for contraband liquor when the warrant was sworn to by "at least two creditable persons" was stricken out today by the House Judiciary Committee. The system of search provided in the espionage act was substituted.

HUGE SIGN TELLS CANADIAN LABOR'S STAND AGAINST REDS

Sign carried by workers in parade in Winnipeg.

Carried by a group of workers, many of whom are returned soldiers, the sign above told frankly how the workers and war veterans

of Canada stand against the Red faction which is promoting strikes and general unrest throughout Canada. The sign was carried in

an immense loyalty parade recently staged to pledge support of the marchers to the Canadian government.

REPORT DECLARES HUN CREWS SINK GERMAN WAR VESSELS AT KIEL

Twelve War Vessels in Addition to Many Destroyers Included in Boats Sunk.

Report Comes from Weimar and Announced as Reliable

(By Associated Press.)

Weimar, June 23.—The German warships which were not surrendered to the allies and which have been anchored off Kiel, Wilhelmshaven and other ports have been sunk by German sailors manning them, according to a report received here from a reliable authority.

According to the report there were 12 German war vessels besides destroyers which were in German waters not having been turned over to the Entente under the armistice provision.

The above vessels reported sunk are in addition to the 71 German warships left sunk by their crews at Scapa Flow, and constitute virtually the entire German naval forces.

BELGIUM ROYAL FAMILY COMING

(By Associated Press.)

Brussels, June 23.—Before President Wilson left Belgium, it was announced today, King Albert and Queen Elizabeth accepted his invitation to visit the United States. The Belgian rulers probably will go to the United States in September.

ANIMALS KILLED BY BOMBS
Paris, June 23.—One hundred animals in the Paris Zoological Gardens died during the war. After a bomb from a German airplane made a big hole in the Rue Cuvier, alongside the gardens.

PESSOA INSISTS BRAZIL IS FOR NOTED DOCTRINE

"Has Always Recognized the Monroe Doctrine" He Declares

(By Associated Press.)

Washington, June 23.—President Elect Pessoa of Brazil declared in a statement here today that Brazil "not only recognizes the Monroe Doctrine but has always recognized it." The inclusion of the Monroe Doctrine in the League of Nations covenant, he said is "a domestic question of the United States alone."

Dr. Pessoa declared the anti-American propaganda in some Brazilian newspapers did not represent in any the sentiment of the people of Brazil.

NEW DELEGATION NAMED
Rome, June 23.—The Italian delegation to the peace conference hereafter will be composed of former Foreign Minister Tittoni, Senator Guglielmo Marconi and Senator Vittorio Scialoja it was announced today.

WAR EXPENSES AT 15 BILLION BAKER REPORTS
(By Associated Press.)
Washington, June 23.—War Department expenditures from the time war was declared until June 1st, 1919, totaled \$14,544,610,000, Secretary Baker today advised the special House committee investigating the Department's activities.

Of the total \$1,839,787,989 was spent by the American expeditionary force for supplies overseas.

APPOINTED CHIEF CLERK OF SENATE

Herman C. Craven.

Herman C. Craven, formerly a member of the civil service commission, has been selected to fill the office of chief clerk of the senate. He succeeds Peter M. Wilson.

C. E. SOCIETY IN BIG CONVENTION

(Special to The Herald)

Cleveland, O., June 23.—More than 6,000 delegates from different parts of the state are expected to be on hand for the opening Tuesday of the Thirty-fourth annual convention of the Ohio State Christian Endeavor.

Religious leaders from all over the country will address the meeting. Executives of the International Sunday School Association and the Sunday school council will meet in joint sessions Wednesday and Thursday in connection with the convention.

RUSS WARSHIP IS SENT DOWN

(By Associated Press.)

Helsingfors, June 19.—British warships on Wednesday evening torpedoed the Bolshevik armored cruiser Slava, which sank immediately.

The only Russian warship bearing the name Slava to be found in available lists was sunk in 1917. It seems probable that some other craft was given the name Slava.

German Request for Additional 48 Hours Turned Down.

HUNS PROTESTING

Claim Cannot Carry Out Some of Treaty Terms.

Do not Want to Admit they Caused War.

(By Associated Press.)

PARIS, JUNE 23.—Germany today requested an additional 48 hours within which to sign the peace treaty. The Council of Three flatly refused the request.

The request for additional time pleaded that the change in the government and the generally disturbed conditions made it difficult to complete the arrangements.

The communication from the Germans was received at three o'clock this morning.

At nine o'clock, President Wilson and Premier Clemenceau met with Premier Lloyd George at the latter's house for consideration of the note. The character of this communication was not disclosed, however, until sometime later in the morning, when announcement was made that the Germans' request had been rejected.

There appeared today to be some indication that in case Germany decided to accept the peace treaty unconditionally, the action would be accompanied by passage in the National Assembly at Weimar of a resolution or declaration that the signing was under compulsion, and that the German people did not feel morally responsible for the war and were willing to submit the question of responsibility to a tribunal consisting of two members representing the Allied and Associated Powers, two neutrals and one German.

The German note, to which the Council of Four replied today by definitely rejecting any suggestions for an alteration in the treaty, declared that the Germans regarded the terms of peace as impracticable, and that their signature is given under duress. Protests were made against the clauses concerning reparation, the forfeiture of colonies and others.

Asserting that the terms cannot be carried out and that the German government cannot be held responsible for what may occur, the note concluded by saying that the Germans will sign with reservations relative to the turning over of those alleged to be guilty of crimes, and also the admission of the guilt of Germany in causing the war.

THREE TWISTERS HIT WESTERN CITY, KILLING 70 AND INJURING 100

In replying, the Council of Four said:

"The allied and associated powers have considered the note of the German delegation of today, and in view of the shortness of time remaining, feel it their duty to reply at once."

"Of the time within which the German government must make its final decision as to the signature, less than 24 hours remain."

"The allied and associated governments have given fullest consideration to all representations hitherto made by the German government with regard to the treaty and have replied with complete frankness."

"They have made such concessions as they thought it just to make. The present note of the German delegation presented no new argument for consideration not already examined."

"The council then declared that the time for discussion was past and that the German representatives must make a decision to sign and accept the treaty as a whole, or reject it."

UNION LABOR IS AFTER 44-HOUR WEEK FOR LABOR

Numerous Resolutions Added to Those Already Passed.

(By Associated Press.)

Atlantic City, June 23.—Indorsement of the commercial telegraphers' strike was unanimously voted today by the American Federation of Labor.

The convention also went on record in favor of a 44-hour week for labor generally and directed the executive council to work for that end.

A resolution adopted on the subject of the wire strike directed the appointment by President Gompers of a committee to go to Washington to confer with Postmaster General Burleson and asked that concessions recently granted telephone and electrical workers be extended to include employees of the telegraph companies under government control.

Other resolutions protested against employment of ex-soldiers in uniform in the Toledo, Ohio, strike; advocated payment by railroad companies for all improvements put on their lines during government control and asked removal of regulations prohibiting railroad employees from engaging in politics.

HUN ANSWER IS RECEIVED

(By Associated Press.)

Paris, June 23.—The German answer regarding the peace treaty was received by the peace conference this afternoon. Its contents had not been revealed up to 3:45 o'clock.

Fergus Falls, Minnesota, Scene of Disastrous Windstorm.

FUNNELS FALL FROM VARIOUS DIRECTIONS

500 Stores and Homes are Torn to Bits and Loss is Millions.

(By Associated Press.)

Fergus Falls, Minnesota, June 23.—Between 60 and 70 persons were killed and more than a hundred were badly injured by the tornado which struck Fergus Falls late yesterday and tore a large section of the city, including the business district, to pieces. Thirty-eight bodies have been recovered.

State troops began searching the wreckage shortly after daylight. It is believed that more than a dozen bodies are buried in the debris which was the Grand Hotel. Fifty persons were in this building when the tornado came. About 30 of them are dead. Much of the residence district south of the Red River is a waste.

About 500 stores and residences were demolished. A score or more of persons are missing. The property loss is estimated at several million dollars. Virtually the entire northwestern section of the city is in ruins. Public buildings and churches were destroyed.

Hospitals are crowded with victims but city officials said today they believed Fergus Falls would be able to provide relief for its suffering.

Citizens said they believed that three storms struck the city in quick succession. Several persons said three funnel-shaped clouds were seen. The first struck the town from the northwest. This smashed the Grand Hotel. The second cloud brought a driving rain and approached from the southwest. The third swept over the eastern section from the southeast.

KNOX INSISTS HE LATER WILL RENEW BATTLE

Is Determined to Separate Peace Pact and League Pact

(By Associated Press.)

Washington, June 23.—Senator Knox, republican of Pennsylvania, announced today that after appropriation bills had been passed he would attempt to obtain a vote on his resolution expressing unwillingness to accept the League of Nations covenant as an inseparable part of the peace treaty.

Senator Knox said the decision yesterday not to press for immediate action on the measure did not mean that there was any intention to abandon it.

BIG INCREASE IN OHIO STATE PHONE CO. RATES

Virtually All Users Must
Pay Increases Ranging
From \$3 to \$6 Yearly.

Claim Authority Granted by
Burleson and Pressing
Need of Increase.

The Ohio State Telephone Company, beginning July 1st, will increase virtually all telephone rates, the increase being \$3 to \$6 per phone per year.

The various branches will be increased as follows: Main line business, \$2.50 to \$3 monthly; two party line business, \$2.00 to \$2.50 per month; four party line business, \$1.75 to \$2.00 per month; main line residence, \$1.50 to \$2.00 per month; four party line residence, \$1.25 to \$1.50.

The following is the announcement by the company:

"A new schedule of telephone rates for Washington C. H. placed in effect July 1, by the Ohio State Telephone Company with the approval and under authority of Postmaster General Burleson, whose rate-fixing power was recently sustained by the United States Supreme Court.

"The pressing need of the company for an increase in its local rates has been apparent to officials of the telephone and telegraph administration and to company officers for many months. Since early 1913 the cost of all labor and materials employed in the telephone business have been constantly increasing and while slight rate adjustments have been made in certain localities during the past year or two, those increases have proved inadequate to meet the financial demands upon the companies.

The new schedule will affect Washington C. H. rates as follows:

"Main line business telephones increased 50 cents per month.

"Two party line business telephones increased 50 cents per month.

"Four party line business telephones increased 25 cents per month.

Main line residence telephones increased 50 cents per month.

"Four party line residence telephones increased 25 cents per month.

"Trunk lines connecting with private branch and private automatic exchanges increased \$1.00 per month.

"Rural business telephones increased 25 cents per month.

BOYD FARM IN WAYNE IS SOLD

Dr. J. M. Boyd of this city has sold his 235 acre farm situated on the Rogers road, to Heber McCoy of near Good Hope.

The farm is well improved and one of the best in that community. The transaction was one of the biggest land deals taking place recently, in the county.

BOARDS VOTE TO CENTRALIZE IN JEFF. TOWNSHIP

At a meeting of the boards of education of the Jeffersonville schools and the Jefferson township schools, Friday evening, a resolution was passed declaring it to be for the best interests of all concerned that the schools of the village and township be consolidated.

Prosecutor Rankin was requested by the boards to work out the most feasible plans of procedure.

If the present plans are carried out it is stated by County Superintendent Nelson, a thoroughly modern high school building will be erected in Jeffersonville. The present building would then be used exclusively for the grades.

The consolidation of the schools of the village and township, it is pointed out, will put ten schools together and will offer many advantages to the pupils that cannot be secured under the present system.

GRAND JURY IN SESSION TODAY

The grand jury, which was called into special session Monday morning, expected to complete its work some time late Monday afternoon.

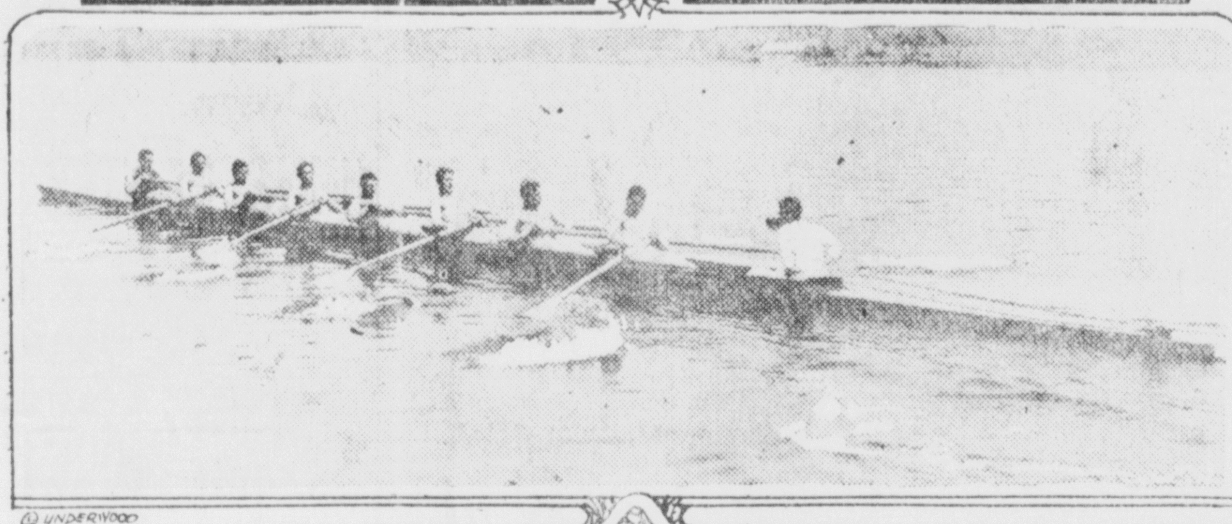

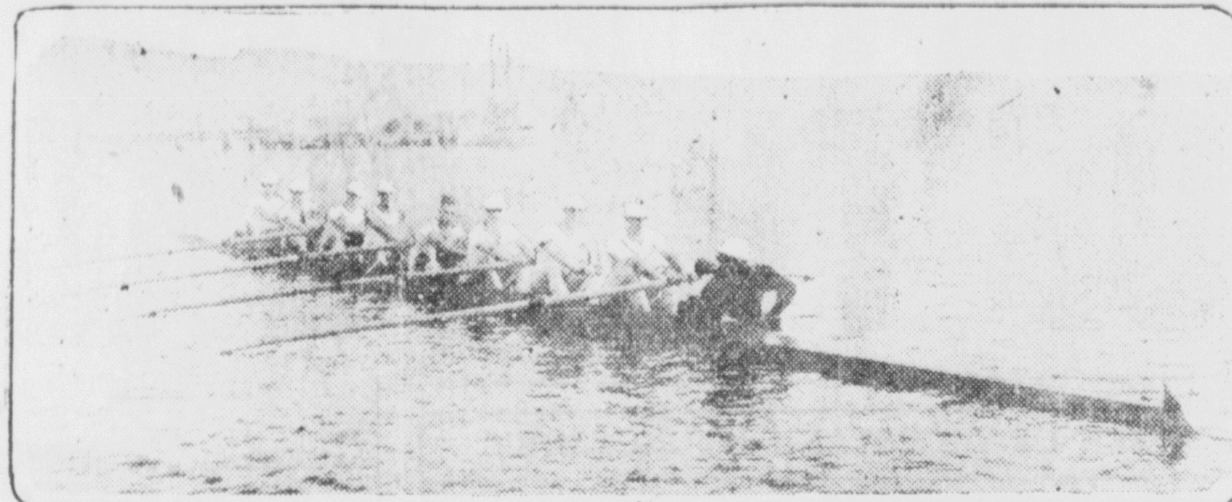

Five cases were up for consideration through the regular channels, as follows:

For assault and battery, Peter Rowan; for burglary and robbery, Chas. Edwards and Robert Salzman; for selling Liberty Bonds not belonging to him, William Hess; for Arson, Charles Carle.

It was expected that a case or two would be initiated by the official investigators of the Court.

STATE SEALER ISSUES WARNING TO THE PUBLIC

State Sealer of Weights and Measures, Samuel Lindsey, was in this city Monday, in conference with Deputy County Sealer Harry Baughn, regarding the arrest and fine of Charles Marsh and John Roberts, junk dealers, who had in their possession some very fraudulent scales with which they apparently had been defrauding the people of the county.

Monday morning it was announced that inasmuch as the two men had failed to raise the amount of their fines, that they would be taken to the workhouse Monday afternoon.

While in this city State Sealer Lindsey inspected the two sets of scales used by the men, and said that in his four years of experience he had never before seen a scale arranged like one of the sets, which had been "fixed" by removing the spring and substituting a much stronger spring, or else by cutting the spring off.

One set of scales used was the "half moon" scale, one of the most deceptive weighing devices in use in this country, and in explaining its crookedness Mr. Lindsey announced that it was "Made in Germany," as indicated on the scale itself.

The scale, which consists of a steel band forming a circle with two rings and two hooks attached and the indicator arranged in the middle of the circle, should not be used at all and affidavits will be filed against persons using them in buying or selling goods.

Additional warning is given that all persons buying or selling, whether junk dealers or otherwise, must have scales which carry the seal of the department showing that they have been tested and found all right.

LOW GOLD PRICE WORRIES MINERS

(By Associated Press)

Deadwood, S. D., June 23.—The low price of gold is worrying mining men in the Black Hills and a petition is being circulated to urge congress "to do something about it."

For nearly 200 years there has not been any change in the price of gold according to local financiers and miners. More than a thousand signatures have been attached to a petition which is to be sent to the South Dakota congressional delegation. The chief request is that the price for gold be increased from \$20.67 to \$30.

During the war the gold industry was hit hard because of the high prices paid for silver, copper and other metals. Expert miners have left the gold districts because other mining companies were able to pay much higher wages. It is claimed that exploration companies have refused to spend money for new work until a price adjustment is made. The output in the Black Hills for the past year has been unusually small.

SOLDIERS WITHDRAWN
Winnipeg, Man., June 12.—Martial law, which was declared in this city when striking union men attempted to parade despite orders of Mayor Charles F. Gray against a demonstration, was ended this afternoon. Returned soldiers constables are now policing the city in the place of the federal soldiers, who have been withdrawn to their barracks.

CONSTABLE SHOT.
Lodi, June 23.—Constable Way Knapp was shot twice and seriously injured in a running fight between officers and three burglars. Physicians said tonight he may not recover.

The burglars were captured by a posse of 100 farmers and citizens near North Spencer after a chase in automobiles. They were taken to the Medina jail.

Even when we hope for the best we are haunted with the belief that nothing is so good that it cannot be better.

PASSENGERS MUST FIGHT TO RETAIN PLACE ON TRAIN

Bucharest, May 5.—(Correspondence of the Associated Press, by Mail)—Travel through Rumania is the supreme test of patience and endurance. From Belgrade, Serbia to Bucharest the favorite route is via teamboat on the Danube as far as Turnu-Severin. Thence a train leaves daily for Bucharest covering the 200 miles in about thirty hours.

The train, cowcatcher, car roofs and running boards are packed with a solid mass of humanity before the train starts out at Turnu-Severin. At every station along the route long stops are made while the crowds fight to get aboard the already overloaded train.

At the junction points of Cracova, Piatra and Pitesti dense masses of humanity fill the railroad yards and sleep out in the open sometimes for days waiting for the train. When the Bucharest-bound train comes into these stations the mobs rush in with wild howls and those aboard the cars, and especially those on the roofs, are compelled to fight for their places. The police and soldiers are frequently forced to make wholesale arrests and to charge the mobs.

Germany has carried off all of Rumania's oil-burning locomotives and the engines which remain burn a low grade lignite. In order to shield themselves from the live sparks of the locomotive the hundreds of refugees sleeping on top the passenger and freight cars comprising the "Bucharest Express" cover themselves with their blankets which they wet along the route.

Buttermilk Day

These are remarkable times. Every day some new and "strange" development compels realization of that fact. Indeed it is well that these unusual developments do keep us continually reminded of the fact that we are living in remarkable times else we might accept them as a matter of course and miss the great lesson.

July first has been declared by the United States department of agriculture to be buttermilk day.

On that day everybody is requested to drink buttermilk. There are two reasons urged in support of the request. One is that it will prove to the people what a delicious, refreshing and healthful drink it is and the second is that by creating a demand for such a wholesome beverage will result in a demand for the product of the creameries and dairies of the land.

All creameries and dairies throughout the nation are requested to provide an abundant supply of buttermilk to all restaurants and drink fountains to meet the demand on buttermilk day.

Physicians have long recommended the drinking of buttermilk for its health-giving properties, but we took it, most of us, like medicine, not because the buttermilk wasn't palatable and refreshing, but because we knew it was good for us.

On July 1st the nation turns from the beverages which are injurious and the Department of Agriculture suggests that we transfer our drinking habit to a beverage which is more delightful and healthful at the same time.

Good. On July 1st we drink with the government and revive the memories of other days when, the churning finished, we rested under the shade of the vines at the back door and drank our fill of that wholesome beverage so good for the inside of folks.

A Change of Policy

It seems perfectly clear from latest announcements from the nation's capital that Uncle Sam has exchanged the "watchful waiting" policy toward Mexico for one of waiting only for an opportunity to teach the outlaws, the brigands, and the weak and ungrateful Carranza regime in the republic across the Rio Grande some respect for the rights of others.

Mexico has been watched and waited on for five long years and affairs have been going from bad to worse so rapidly that it seems apparent no order will be established or maintained unless the strong arm of the United States is used.

Mexico must set her house in order and that soon or the United States will do it for her, at least to the extent of protecting outsiders, including our own citizens.

It will be interesting to see a plan so radically different from that one of "watchful waiting" as an altogether aroused, goodnatured, peace loving and justly indignant nation, carries it forward to a conclusion.

No further insult from Mexico will be tolerated. No more outrages, no matter by what faction committed or permitted, will be endured by this nation.

Deportation for Radicals

The information given out on Saturday, in New York, by agencies regarding as authoritative, to the effect that the federal government has under serious consideration, in fact is making arrangements for the wholesale deportation of Bolsheviks, anarchists and other dangerous radicals, is welcomed by millions of Americans who feel that the federal authorities have dealt entirely too leniently with those who are plotting to destroy the government.

We have been entirely too "free and easy" with an exceedingly dangerous element. Autocracy, of course, is distasteful to the liberty loving American people but there is a line, clearly discernable, in free America beyond which individuals cannot go without being compelled to suffer the consequences. At any rate there can be no manner of reason for permitting any individual not an American citizen of tested and proven patriotism to publically criticize and abuse our officials, our institutions and prosperous citizens.

If foreigners do not like America and America's institutions they have no business here and no claim upon the government for its privileges and protection.

Our officials would be rightly blamed if they permit foreigners to preach dangerous doctrines in America. If they prefer Bolshevism and anarchy to America's law and order and equal opportunity, to the government officials who can be changed at any time by a proper and orderly expression of the majority, they can satisfy such a preference by going to Russia or to the Balkans. If they don't want to go they should be sent.

Troop ships returning to Europe should carry as fast as they can be corralled and labelled, every foreigner who preaches discontent in this country.

POETRY FOR TODAY

TRUST

The same old baffling questions!
O my friends,
I cannot answer them. In vain I send
My soul into the dark, where never
born

The lamps of science, nor the natural
light

Of Reason's suns and stars! I cannot learn

Their great and solemn meanings,
nor discern

The awful secrets of the eyes which turn

Evermore on us through the day and night

With silent challenge and a dumb demand,

Proffering the riddles of the dread unknown

Like the calm Sphinxes, with their eyes of stone.

Questioning the centuries from their veils of sand!

I have no answer for myself or thee,
Save that I learned beside my mother's knee;

"All is of God that is, and is to be;
And God is good." Let this suffice us still,

Resting in childlike trust upon His will

Who moves to His great ends unthwarted by the ill.

—John Greenleaf Whittier.

FARM MACHINERY REACHING BALKANS IS BADLY NEEDED

Saloniki, May 7.—(Correspondence of the Associated Press, by Mail)—Large consignments of American agricultural machinery has been unloaded here for use in Macedonia. The motor plows are badly needed on account of the dearth of horses and oxen which the Bulgars carried off with them. In the last six months the American Red Cross has been instructing Greeks and Serbs in the use of modern farm machinery and American methods of soil improvement and now farmers are being given the opportunity to buy implements at advantageous prices.

King Alexander of Greece is much interested in American farming machinery. Recently a very large consignment of agricultural machinery and implements arrived in Athens from America. The consignment comprised all classes of power machinery and a considerable number of motor

WILL REPORT FOR SPECIAL TRAINING

John Bowens, a former member of M. Company, who received a wound in the head while fighting in France, which was so severe that a section of the bone had to be removed, has received notice from the Federal Board of Vocational Training to report for training in his chosen vocation, but owing to his present physical condition, due to the effects of the wound, he will not be able to leave at once. The soldier is now under the care of a local physician and his condition is stated as improving. He expects that he will be able to go within two or three weeks.

Bowens will report at Bera, Ky., where a school of vocational training is located.

NEEDING RAIN IN PART OF MARION

While the remainder of the county has had an abundance of rain, there is a small section of Marion township that has been without adequate rain, with the result that the pasture is short and the need for a soaker is urgent.

Most of the rains of the season have been strictly of a local character, with the result that many communities were almost drowned out by a surplus of rainfall and others have received below the normal amount.

MOTORIST IS KILLED.

Newark, June 23. — W. A. Nichols, aged 43, of Utica died here from injuries, and S. A. Hulshizer is seriously injured in a local hospital. They were found along the road side where they had lain most of the night, four miles north of here, bleeding and unconscious. The auto in which they were driving to this city was little damaged. A mystery surrounds the case and the police are investigating.

RANDOM NOTES

SOCIAL : PERSONAL MENTION : CLUBS

Mrs. John Walters (nee Mary Tysor) of Gallatin, Tenn., a bride of May, who is visiting her aunt, Mrs. V. J. Dahl, is the very charming incentive for a number of little affairs culminating this week's social calendar. On Saturday, Mrs. Walters was honor guest at a miscellaneous shower, for which Miss Lillian Davis brought together the little coterie of Mrs. Walters' closest intimacy, who enjoyed to the fullest extent the renewal of their friendships, in the delightfully hospitable atmosphere of the Davis home, made fragrant and lovely with roses and sweet peas.

The hostess presented Mrs. Walters with a beautiful pink, basket, garlanded with hearts and tied with big pink satin bows, filled with gifts from the friends grouped around, and also added the gift of an exquisite corsage bouquet of pink rose buds and swansonia. The corsage added a pretty touch of color to the modish gown of navy blue printed georgette, with blue taffeta hat, in which the honor guest was becomingly groomed.

The hostess, fair and winsome in white crepe de chine, was assisted in the hospitalities by her mother, Mrs. B. F. Davis, and sister, Miss Kathleen.

A dainty collation was served, the pink and white color scheme, carried out and the favors pink sweet peas, with tiny hearts attached.

The guests with Mrs. Walters were Mrs. Henry C. Groseclose, Farmville, Va.; Mrs. Harry Meade, Wilmington; Miss Juliette Mayer, of Camp Sherman; Mesdames Lorin Brock, Mortimer W. Clagson, Misses Jane Saxton, Ada Woodward, Jean How-Helen Harper, Mary Collins, Mary Weaver.

Two new cottages are being erected at Cedar Hurst by Messrs Roy T. McClure and Clarence N. Baer, and will be occupied by their families as soon as completed.

Cedar Hurst is becoming more and more an ideal little summer camp, with its pretty cottages, congenial people and summer amusements.

Rev. Arthur P. Cherrington, performed a ring ceremony which united in marriage Miss Bernice Ford and

Mr. Simon P. Thiel, of Akron, Ohio, Saturday evening at Grace M. E. parsonage.

The bride is the daughter of Mr. and Mrs. Owen Ford, of Columbus avenue a bright, attractive girl who has held an office position with the Ohio State Telephone Co. since graduating from the Washington C. H. High School. She looked very pretty in a smart tailored suit of dark blue serge white georgette blouse, and white hat.

The bridegroom is the son of Mr. and Mrs. Nicholas Thiel, of Edgerton, Ohio. He recently received his honorable discharge from military service and now holds a good position in the Goodyear Rubber Co. in Akron, where the future home of the young couple will be made to the regret of many friends in this city.

Followed by good wishes galore Mr. and Mrs. Thiel left on the 10:17 train Saturday night for Akron, returning after a ten days stay before locating permanently.

Miss Ruth Edwards and Mr. Everett Ford witnessed the ceremony.

Much interest in local circles will follow the announcement of the marriage of Mr. Russell Mobley, son of Mr. and Mrs. O. J. Mobley formerly of this city, to Miss Ella Cox Anthony of Texarkana, Ark., which was a brilliant church wedding of June the eighteenth.

The double ring ceremony was used with two ministers officiating, Mr. Forrest D. Sharpe, whose wife was Miss Marie Mobley, acted as best man, the young couple are now on a wedding trip going from Texarkana to St. Louis, Mo., and from there East for a three week's stay.

The bridegroom was formerly a very popular member of the younger set here, and especially prominent in High School athletics. He recently received his discharge from overseas service, in which he attained considerable distinction and the rank of captain.

A host of Washington friends will add their best wishes to those of friends in the Southern home.

Winchel McK. Craig son of Mr. T. H. Craig graduates from Johns Hopkins University at Baltimore, Md., on Tuesday, and receives his degree of medicine.

Immediately after graduation, Dr. Craig starts for his home in this city to visit his father for a few weeks, before returning to Baltimore to specialize in surgery at Saint Agnes Hospital.

Dr. Craig was a member of the U. S. Medical Reserve and in service at Camp Meade, Md.

Before entering Johns Hopkins University he graduated from the Ohio Wesleyan University and in both Universities won a brilliant record in scholarship as well as an enviable popularity.

Mr. and Mrs. Clarence Craig delightfully entertained with a picnic supper Sunday evening at their summer college at Cedar Hurst.

Their guests were: Mr. and Mrs. Harry Gabbury, Dayton; Mr. and Mrs. Wilbur McWilliams, Mr. and Mrs. Frank Wilson, Greenfield; Mr. and Mrs. Charles Eckert, Columbus; Misses Margaret Ashling, Leah Woodmansee, Hazel Dwyer, Messrs. Richard Duncan, Paul Major, Clark Head, of Greenfield.

Dr. and Mrs. S. E. Boggs, daughters, Misses Casey and Florence, Mrs. Bertha S. Miller and son Oliver, Mr. H. Renick Boggs, of this city, and Mrs. Henry Renick, of Chillicothe, motored to the beautiful country place of Mr. and Mrs. George Renick near Chillicothe, Sunday to be guests at an elaborate dinner.

A congenial party entered upon a week's summer outing at the Craig's cottage at Cedar Hurst Monday. In the party are Misses Mary Craig, Miriam Fite, Louise Weaver, Ethel Calvert, of this city, Miss Marie Grove, of Urbana; Miss Edith Austin, of Wilmington; Mrs. Joseph Hersberger (nee Hilda Kyle, of Columbus; Miss Agnes Brady of Union City, Ind.

The week promises to be a very jolly one with a number of other guests entertained during the week.

KELLY—DAWSON.

Monday morning at ten o'clock, Rev. G. E. Groves united in marriage Mr. Pearl Kelly, son of Mr. and Mrs. James Kelly of Bloomingburg, and Miss Dortha Dawson, daughter of Mr. and Mrs. J. H. Dawson, of Bloomingburg, at the home of Dr. C. C. Hazard.

The ceremony was witnessed by the bridegroom's brother, Mr. Floyd Kelly and Miss Blitzer, of Bloomingburg.

The groom, who saw service with the Third Division, Ninth Machine Gun Battalion, received his discharge from service on the eighth of April. After a short wedding trip the young couple will be at home to their friends in Dayton.

Mrs. Cora Mershon, who underwent a serious operation at the Fayette Hospital four weeks ago, was taken to the home of her sister, Mrs. Dan Kerns on Circle avenue, Friday.

GIVES BAD CHECKS IS WANTED HERE

A young man from Williamsport who is alleged to have passed a number of worthless checks in this and other towns, is now being sought by the authorities. It was announced Monday by a Washington business man who had been defrauded out of \$15 by one of the young man's checks, and who does not intend to stand for having the fellow at large.

It is understood that the same fellow has passed many worthless checks on merchants of Columbus and in fact in all surrounding towns.

FUNERAL SERVICES

J. R. VANNORS DALL

The funeral services of Mr. J. R. Vannorsdall, esteemed pioneer resident of Jefferson township, held Saturday afternoon were very largely attended, the great crowd of relatives and friends filling the large home and verandahs and many on the lawn outside.

Rev. McKinnon, of the M. P. Church of Jeffersonville, conducted the services, which were deeply impressive and full of appreciative tribute to Mr. Vannorsdall.

There were beautiful flowers in abundance. The burial was made by the side of the wife in the family lot of the Fairview cemetery.

The pallbearers were grandsons, Roscoe Straley, Ellsworth, Glenn and Le Vannorsdall, Roy Fultz, Roland Ritenour.

Attending the services from here were Mr. and Mrs. J. G. Williams, daughter, Miss Fern, Mr. and Mrs. Elmer White.

DEATH REMOVES

MRS. MARY R. DAVIS

Mrs. Mary R. Davis a well known and highly esteemed resident of the Center Church neighborhood, passed away at her home, Saturday afternoon at four o'clock.

Mrs. Davis was seventy-five years of age, and had been in failing health since the death of her husband, the late John Davis, last December.

She leaves to mourn her loss five children, Rollo, of Bowersville, Mrs. Ellen Brown, of Maryland, Mrs. Dora Babby, of Wilmington, Mrs. Murphy Glass of near Canton, and Grover with whom she had made her home since her husband's death. Besides these children she is survived by a sister, Mrs. Amanda Wood of this city, and three brothers, J. F. and George Zimmerman, of near Center Church and William Zimmerman of near Eber.

Rev. Harley J. Moore, of Bowersville assisted by Mrs. Eliza Thorne, of Sabina conducted funeral services at the home of the son, Monday afternoon, and interment was made in the Milledgeville and South Plymouth cemetery.

ASK IMPROVEMENT OF THE STATE ROAD

The county commissioners had before them on Monday a petition filed by a large number of landowners along the State Road from the intersection of the Midway and Bloomingburg pike westward, some three miles to the Point Creek bridge west of Cozy Corner, or the intersection of the Prairie pike and State Road.

The abutting property owners want improvement by means of water bound macadam.

A meeting of the township trustees of Paint township probably will be called, or the trustees consulted before the commissioners take definite action on the petition, it is understood. The road in question is in urgent need of repair.

NOTICE

CHILDREN'S DAY AT

FIRST BAPTIST S. S.

The Children of the First Baptist Church, Sunday evening, presented a very attractive program assisted by other members of the Sunday School.

The children at the Primary Department, under the competent direction of Miss Ruth Davenport were especially cunning in their recitations and songs, their gestures and earnestness delighting the audience.

Two special features of the program were, Miss Mary's Garden by twelve small girls of the Primary Department, and the closing number "Emblematic Peace" in the folds of the flag very effectively given by fifteen young women. This represented the work of the Publication Society, Industry, Art Patriotism, Brotherhood, and music had played in Humanity, and these were not sufficient without Christianity.

Miss Margaret Tilton as Goddess of Liberty, and Miss Ruth Davenport as America were the central figures, and were ably assisted by the other young women taking part.

Mrs. W. W. DeWees was chairman of the committee, which also comprised Mrs. Howard McLean and Mrs. Walter McLean.

Miss Mabel Briggs acted as pianist.

NOTICE

The local W. C. T. U. meets Friday 2:30 p. m. at the Y. M. C. A. rooms. Program includes flower mission day report. It is asked that all unpaid subscription for the \$1,000,000 drive are settled.

SUFFRAGE NEAR IN LONE STAR STATE

(By Associated Press)
Austin, Texas, June 23.—Consideration of the proposed Federal constitutional amendment for woman suffrage virtually is assured at the special session of the Texas legislature, which convened today.

Governor W. P. Hebb's call for the session gave fiscal and "other matters" as the legislative program but several advocates of woman suffrage in the senate already have prepared a resolution for the ratification of the federal amendment.

Framers of the resolution and leaders of the state woman suffrage organization are confident the amendment will be ratified by the legislature with little opposition. No organized opposition has been disclosed.

EIGHT HOUR DAY FOR THE SWEDES

Stockholm, May 14.—(Correspondence of The Associated Press)—If a proposed eight-hour-day bill becomes a law Sweden will require 72,000 more workmen to maintain its present industrial output according to the findings of a government investigating committee. If the additional labor cannot be obtained, the committee's report says, the value of production will be decreased by more than 650 million crowns.

In the opinion of the committee, no increase in intensity of effort would result from shortened hours of work and the cost of production would be advanced 18 percent. New houses for additional workers would cost, it is estimated at 350,000,000 crowns.

HARVEST WAGES AGREED UPON BY FARMERS' BUREAU

35 to 40 Cents per Hour is Price Fixed, With One Meal or More if Help is Good.

Importation of Help From Hill Counties Prevents Serious Embarrassment.

At a meeting of the executive committee of the Fayette County Farm Bureau, held Saturday, it was decided to accept the suggestion of Phillips, head of the State Employment Service in Ohio, that wages for harvest help be from 35c to 40c per hour—this being, it is stated about the same wage as paid last year.

In many cases last year one meal was furnished the workers even when 40c per hour was paid and where the work of the employee was especially satisfactory, more meals were given, or allowance made in cash instead.

It is announced by an official of the Farm Bureau that it is noted that the threatened serious labor shortage in harvest time is largely being overcome by help coming from the hill counties, where there is a surplus of farm help at the present time, harvest in those counties having largely been completed.

As a result of this importation of help from the counties of Southern Ohio, many farmers who were worrying about the scarcity of help are finding it. The County Employment Service under the direction of Superintendent Williams is doing much to relieve this shortage.

Harvest in the county is now in full progress and the farmers are particularly anxious to have as much of their wheat in the shock as possible before another heavy rainstorm.

UGGLER JUGGLES HIS OWN LIFE AS LATEST THRILLER

"Daredevil" Reynolds performing stunt on roof of Herald Square building, New York.

Apparently the lid is off on daredevil stunts these days. The latest addition to the thrills invented by persons who hold life cheap is shown above. "Daredevil" Jenkins, a juggler, is juggling three balls and juggling photographs, while perched on a pyramid of chairs on top of a table placed on a chimney on the roof of the Herald Square building, New York. The building towers twenty-five stories above the street. Thousands of persons on the street below watched him perform the feat. They were more frightened than he.

ROGERS PARK TO BE REOPENED ON NIGHT OF FOURTH

Rogers park, the most beautiful park in the county, is to be reopened to the public on the night of July 4th, at which time a band or orchestral concert will be given and high grade moving pictures shown.

It is the plan of the three men back of the venture—L. H. Rogers, M. F. Hudson and Harry Jones, the latter two being from Jeffersonville, to present concerts every Friday night during the summer and to give a special motion picture in connection with the concert.

With this in view the three men have purchased a modern electric lighting outfit which will turn the park into a bower of beauty and attractiveness, and have purchased a high class moving picture machine and other equipment including seats and screen.

The park is being arranged so that there will be an abundance of seats and so that the park generally will be most inviting and an ideal place to spend a summer evening.

The park is located on the Bloomington and Sedalia pike, some three miles north of Bloomington, and promises to become the mecca for hundreds of people each night it is opened. If the patronage warrants, special attractions such as vaudeville etc., will be put on during the summer.

LOCAL MEN IN CASUALTY LIST

Two Washington C. H. men appear in Casualty List Number 71. Private Ward E. Daniels is listed as wounded severely and Sergeant Frank Perneau is listed as wounded degree undetermined.

William E. Collins, Chillicothe, is listed as wounded slightly.

Thirteen Ohio men are contained in the list.

BUSINESS CHANGE IN OIL COMPANY

Announcement was made Monday of a change in the personnel of the J. E. Smith Oil Company. Mr. Frank P. Karney, having disposed of all his interest in the company to Mr. J. E. Smith, retiring from the business.

Mr. Smith, who is now the sole owner and manager of the company, announces that contemplated additions to the main plant on South Fayette street, which will add to the service of patrons, will be pushed forward as rapidly as possible and that work on some of the improvements was begun on Monday morning.

JAMESTOWN BOY IS CHAMP. WALKER

In the annual Industrial Track and Field Meet held at Akron recently, Norman Sanders, a former Jamestown boy, won the mile walk, easily outdistancing his opponents and putting his team in fourth place.

Sanders was entered in a field of fifteen entries and he received a handsome gold medal for the feat. He attributes his ability for walking to his long service in the army from which he was recently discharged. Time for the mile was 8 minutes and 35 seconds.

TO RESUME WORK ON ROUTE NO. 6

Beginning July 1st Harry H. Hiser, former carrier on Rural Route No. 6 out of this city, will resume his duties on the route, which he gave up in order to enter the military service.

Recently Mr. Hiser received his discharge and it is announced officially that he will resume the work of handling the mail on Route Six.

CURIO COLLECTION GIVEN TO STATE

Many of the friends of the late Jacob Saylor, knew that he had a very valuable geological collection. Recently some correspondence was held with the head of the geological department of O. S. U., and Mrs. Saylor decided to offer the collection to that institution, with the understanding that portions of it could also be used by other State Universities. The collection will be placed in Orton Hall, there being a bit of sentiment cherished about this particular hall, since Professor Orton, many years ago when he was at the head of the geological department of O. S. U., came to this county, and Mr. Saylor accompanied him on his investigating tours, and assisted him in gathering his specimens.

This collection is a very valuable addition to the geological department, and when packed for shipment, was about one thousand pounds in weight. Mr. H. J. Swartz came down from Columbus Monday to pack the specimens, and left Wednesday.

Mr. Saylor's Indian relic collection was placed a few years ago as a representative collection of Highland County, in the museum of the Archaeological Historical Society at Columbus.—Hillsboro Dispatch.

CLINTONS WIN OVER NORWOODS

The Dayton Norwoods, one of the fastest semipro baseball teams of Dayton, was defeated by the Wilmington Clintons by a score of 8 to 4 on the Wilmington grounds Sunday afternoon. The hard batting of both teams was a feature of the game.

When the peace treaty is signed, what in the world will there be left for statesmen to talk about?

TOO MUCH SPEED AUTO TURNS OVER

A little too much speed was responsible for what came near to being a serious accident on the Waterloo pike, about three o'clock Sunday afternoon, when machine driven by a man by named Brown, from near Waverly, overturned in the middle of the road.

The two men, two women and two children in the machine were not badly injured, although scratched, bruised and badly shocked. The Ford was not seriously damaged, and the party, after some help continued onward. The Browns had been visiting their daughter, Mrs. Trainer, of near Bloomington.

TOLEDO FACING HUGE PROBLEM

(By Associated Press)

Toledo, Ohio, June 22.—The city must grapple with a difficult housing problem in preparing for the enormous crowd expected here to witness the heavy-weight championship contest between Jess Willard and Jack Dempsey, July 4. With a seating capacity estimated at about 50,000 in the arena it is estimated that at least 60,000 visitors will be in Toledo the day of the bout. Of these about one-third, or about 20,000, are expected to be in the city over night.

Toledo itself is a city of about 500,000 population and even in normal times the hotel accommodations are inadequate. The city boasts of eleven hotels of 100 or more rooms capacity and ten more of fifty rooms or better. The two biggest hotels have been "sold out" for the last six weeks. Nearly all the larger hotels have reservations calling for their full capacity. The smaller hotels are filling more slowly, but unquestionably will be occupied to capacity long before July 4.

All the hotels plan to install extra cots and beds in the rooms. A flat rate of \$5 a bed, whether there are two or half a dozen beds in each room, has been established as the minimum. Only a few newspapermen, who have been on the scene for a month or more, will be permitted to occupy rooms alone. Other guests will be obliged to share their rooms with as many persons as the management sees fit to provide beds for.

BEST OF SEASON BUT KHAKI BOYS BEAT ATHLETICS

Camp Sherman Boys Make One More Marker Than Locals in Hard Game.

Big Crowd of Fans Witness Some Real Sport at Sunnyside Park.

The weather man was at his best Sunday and the fans were out in force to see the locals tie up with the Camp Sherman Base Hospital team at Sunnyside park. The fans agreed that it was the best game of the season with one exception—the score was 3 to 2 with the soldiers holding the trio of markers.

Both pitchers had something on the ball and an unlucky thirteen of the striving Athletics went out by the air route.

Also both hurlers often reverted to the caveman age and seven men were given free passes to the initial sack. Reno was in any number of holes but worked out of them and would have turned in a winning game but for an error or two and a misjudged line drive.

Washington scored first in the second inning. H. Grandle, first man up, was hit by the pitcher and advanced to second while Reno breezed. Nip Jones then picked out one of Sweitering's delivery and it sailed far over the centerfielder's head, one of the prettiest three-base drives ever made at the local yard. Turner fouled out and the scoring was off until the ninth as far as our boys were concerned.

Sweitering, moundsman for those wearing the khaki, pitched mediocre ball until the third or fourth frame when he began to unlimber and with perfect control he soon had the local boys hitting the first ball pitched, and as the soldiers were not missing any chances it was very disastrous to the facilities for scoring.

Then the innings rolled past but the loyal fans in the stands never gave up hope and waited expectantly for the ninth frame, knowing full well that something would happen, and it did happen.

With the big guns of the team coming up the prospects were bright. Corwin, first up, was hit and given life on first. Noon was safe on an error. Adams lifted a lofty one to

center for an out. H. Grandle hit to the right field wall for which Davis made a beautiful running catch, and both runners advanced. Reno shot a hit over first base and Corwin scored. Sweitering, fearing that Nip would get hold of another one, was equal to the occasion and with the count two and two put the horsehide over and the crowd went home.

The score by innings:

1	2	3	4	5	6	7	8	9
Washington	...	0	1	0	0	0	0	1-2
Base Hospital	...	0	0	0	1	0	2	0-3

The line-ups:

Washington Athletics—Whited cf, Corwin ss, Noon lf, Adams, 2b, H. Grandle, 1b, Reno p, Jones 3b, Turner c, A. Grandle, rf, Grover for Whited.

Base Hospital—Weirs c, Flaig cf, Claggett lf, Sweitering p, Biggs 1b, Nabers ss, Finnegan, 2b, Howell, 3b, Davis, rf.

Two Base Hits—Weirs, Biggs 2.
Three Base Hits—Jones.
Double Plays—Finnegan to Biggs.
Struck Out—By Reno, 8; by Sweitering, 5.

Base on balls—Off Reno, 4; off Sweitering, 3.

Hit by pitcher—By Reno, 1; by Sweitering, 2.

Base Hits—Off Reno, 4; off Sweitering, 5.

LESS THAN HALF IN HIGH SCHOOLS

To Teachers and Patrons:

Statistics show that of the pupils who finish the eighth grade only about thirty-five per cent complete the work of the high school. What becomes of the other sixty-five per cent has not been determined.

If a ship should start across the ocean with one hundred passengers on board and should arrive on the other side with only thirty-five survivors, there would ensue a rigid investigation, but the high school loses sixty-five out of one hundred enrollees and neither parents nor teachers seem especially disturbed.

If pupils, teachers and parents could be induced to wear mourning when a pupil drops out, we might thus generate public sentiment.

If the depressing loss is due to the course of study, somebody ought to have the wisdom to formulate a better one; if this loss is due to the character of the teaching, somebody ought to be able to show us how to do this better; if the loss is due to the indifference of parents, somebody ought to be able to convince them that their children could profit by the work of the high school. Whatever the cause, the situation calls for careful consideration.

We should invoke the aid of the press, the pulpit and the community in an earnest effort to change this situation for the better and it will be well for us to institute a follow-up program this summer in an effort to induce every eighth grade pupil, not only to enter the high school, but to continue the work until he achieves graduation.

Cordially,

F. B. PEARSON,
Supt. Public Instruction.

For Your Hogs and Chickens—

Lactofeed is an auxiliary feed that is just naturally so crammed full of pent-up energy a hog can't help enjoying himself when he tastes it.

The value of any kind of feed is determined by its percentage of digestibility—how much of it really does the work?

The digestibility of crude protein in corn meal is about 75 per cent; that of carbohydrates in corn meal is 84 per cent. IN LACTOFEED IT IS ONE HUNDRED PER CENT!

Lactofeed is distributed by the manufacturer through all cream stations operated by the J. A. LONG CO.
